

## Pattern cuttings students

Please be advised that from September 2018 IDC © are no longer able to provide a continuous supply of pattern drafting paper and pattern drafting items, this is a highly talented skill and you will need these items for a number of weeks.

Paper will be provided at a cost of £5 for 5 meters of paper at the start of your course, should you require additional pattern paper as you progress this will only be provided at 5-meter increments, please bring a cardboard tube to transport your pattern paper to/ from college. You may wish to supply your own which is also fine.

- You will also need pattern master ruler purchasable from <https://www.morplan.com/shop/en/morplan>
- Winifred Aldrich metric pattern drafting book (these can be purchased second hand)
- you will also require:
  - Propelling pencils (thin leaded pencil)
  - Rubber
  - 3 coloured, marker pen
  - Paper scissors
  - Toile fabric, calico is the preferred choice

Please see the sewing kit hand out sheet for other items you may need.
